

Government Polytechnic Bilaspur (CG) 495009

Schemes for SC/ST Students.

State Government of Chhattisgarh is highly concerned about the welfare of students belonging to the Schedule Cast and Schedule Tribe category, therefore this institute has various schemes for them. In addition to the **Post Metric Scholarships** managed by Tribal Welfare Department, following schemes are also available.

1. **Special Coaching Scheme:-** Under this scheme students belonging to the Schedule Cast and Schedule Tribe category are given special coaching after the regular hours so that they easily meet out academic standards set by the institute. Everyday from Monday to Friday 4 periods are allotted for such classes, and they are engaged by regular teachers of the institute. Such teachers are also paid extra remuneration for the conduction of these classes. The duration of these classes is similar to the duration of semester.
2. **Teacher Guardian Scheme:-** Under this scheme a group of 20 to 25 students belonging to the Schedule Cast and Schedule Tribe category are allotted to a teacher, who assists them during entire session for their various problems in the college. The teacher also remains in touch with parents and informs them about progress of their ward. Teacher in charge is also given certain remuneration to do this job.
